

Performance Guidelines

General:

The following is provided to assist you in making requests for the Greenbelt Sity Stars to perform for your organization. This information is established to serve as a set of working guidelines for your general planning purposes. Each request will receive fair and consistent consideration based on team policies. All requests must be submitted in writing using the Performance Request Form. Please furnish as much detailed information as possible.

Fees:

Rates vary depending upon the type of performance requested. All payments must be received prior to the start of the appearance. All events must reimburse for paid parking, if applicable.

Performances:

During each performance the Sity Stars will give single ropes to audience participants as prizes and give flyers and pamphlets about the team and information on fitness and nutrition.

The jumpers will perform a routine based on the specifications requested by the organization with or without music and an explanation. The program is choreographed and fitted to the theme of your event. If music and an explanation are requested, a sound system with a CD player must be provided. The jumpers will bring their own music on a CD.

Availability:

The Greenbelt Sity Stars are available for performances all year round. Please keep in mind that all of the jumpers are students and are not readily available to perform for events on school days during school hours. The Sity Stars is also a competitive team and attends competitions and trainings on a regular basis. You will be notified on availability after the request form has been received.

**Thank you for your interest in making the
Greenbelt Sity Stars part of your event**
